Dear Mr. Breuvart,

We would like to offer you the position of Postdoctoral Researcher in the Computer and Information Science Department at the University of Pennsylvania. The appointment is effective for two years, beginning in September 2016. This offer is contingent on your receipt of the Marie Skłodowska-Curie Research Fellowship, which is expected to fund your stipend. For the duration of your appointment, we will provide the cost of the premium for single-coverage health insurance under the University's mandatory post-doctoral researcher health insurance plan. Upon arrival, you will need to document the award of your Ph.D.

You will be working under my supervision for the duration of your appointment, and we are very excited about the prospect of your joining the Department. We are confident that you will find Penn a stimulating place to work.

We look forward to your reply and to welcoming you to Penn. Please sign this letter and return a signed copy to my attention. If you have any questions, please do not hesitate to contact us.

Sincerely,
